

Adam & Eve

During Our 50 Year History, We've Sold...

56 MILLION ORDERS!

That's enough orders for **1 in every 4 adults in America!** Of course, most of our customers end up ordering more than once. We've even got some that have ordered **over 1,000 times!** That's a whole lot of 'gasms!

If Adam & Eve customers set up their own country, it would be the **26th largest in the world**, between Tanzania (56.3 million) and Myanmar (53.7 million).

That's enough orders to give **one to every person living in over 150 countries**, including

South Korea (51.2 million), Colombia (49.6 million), Canada (37 million), Saudi Arabia (33.7 million), Mozambique (29.5 million), Australia (24.9 million) and Belgium (11.4 million).

We've Sold 20 Million Vibrators

including 3.3 Million Rabbits and 1.8 Million G-Spot Vibes!

If you turned all those vibrators on at once, they'd hit **4.2 on the Richter scale** – the equivalent of a minor earthquake. *Talk about bed-shaking O's!*

That's enough to give a vibrator to every woman in California!

If you plugged all those batteries into your circuit breaker, you'd have enough power to run your **entire house for 29 years, 6 months and 22 days!** Or power a small town for a whole week!

If those rabbit vibes bred like real bunnies, we'd have **66 million** rabbits after 1 year and **1.3 billion** after 2 years. After just 3 years, there would be **26.4 billion** rabbits. That's enough for everyone on Earth to have 3 or 4 vibrating pet bunnies.

632,812.5 GALLONS OF LUBES & OILS

That's enough lube to fill up **21,094 bathtubs**

or have a Las Vegas-sized orgy!

If someone ever makes a lube-powered car, you could drive across the entire continental United States **6,780 times** before running out of fuel just outside of Atlanta.

14.4 MILLION CONDOMS!

Since the average American couple has sex about once a week, **that's enough condoms to keep everyone in New York City bangin' for a whole month!**

That's enough to give one condom to every couple in America's **14 largest cities.**

(New York, Los Angeles, Chicago, Houston, Phoenix, Philadelphia, San Antonio, San Diego, Dallas, San Jose, Austin, Jacksonville, Indianapolis & San Francisco.)

That's enough to give to one condom to every couple in **19 states** (Wyoming, Vermont, Alaska, North Dakota, South Dakota, Delaware, Rhode Island, Montana, Maine, New Hampshire, Hawaii, West Virginia, Idaho, Nebraska, New Mexico, Kansas, Mississippi, Arkansas) with a few left over for another round!

Since the average American couple has sex about 54 times a year, **all those condoms could last one couple 266,483 years**, give or take a few days.

Since the average American couple has sex about 54 times a year, **that's enough condoms to keep everyone in Las Vegas rockin' for a whole year!**

21.8 Million Stimulators (dildos & other toys)

If all those toys were laid out end to end, they'd stretch from **New York to L.A. (2,789.8 miles)** with an extra 134 miles for stops along the way. *Anyone want to see the World's Biggest Ball of Twine?*

If all those toys were melted together to make one huge dildo, it would measure 2,924.6 miles long by 430.1 miles wide. **That's 1.26 million square miles – making it bigger than 5 largest states combined!** (Alaska, Texas, California, Montana and New Mexico.)

If all those toys were laid out end to end, they'd stretch up & down **One World Trade Center** (the tallest building in the U.S.) an impressive **8,694 times.**

If all those toys were laid out end to end, it would take **48,445 football fields** to hold them all!

3.3 MILLION MASTURBATORS including 1.4 million realistics!

The average American man masturbates about **3 times a week**, so that's enough for just under **10 million 'gasms** every week. *That's a whole lotta strokin'!*

If those **1.4 million realistic strokers** were actual people, they could fill up **20 NFL stadiums.**

Go Masturbators!

If those realistics were actual people, they'd be the **8th largest city in the United States** – in between San Antonio (1.43 million) and San Diego (1.3 million). And they'd be tied with Hawaii for the 40th largest state!

That's enough masturbators to give **one to every guy in Arizona!**

That's enough to give **every guy in Alaska 8 or 9**, so they've got plenty to pick from!

That's larger than the **entire population of Utah...** and 20 other states!
