**CALLING UP-AND-COMING ARTISTS, ROYAL CARIBBEAN LAUNCHES ART PROGRAM  
TO DEBUT ON *ICON OF THE SEAS***

*First Up in the "Artist Discovery Program" Will be a Spotlight on Local Caribbean Artists*

**MIAMI, March 10, 2023** – Royal Caribbean International has launched a search for iconic artistry to bring the Caribbean spirit to life on the iconic canvas that is the world’s best family vacation, [\*Icon of the Seas\*](#). In the new [\*\*"Artist Discovery Program,"\*\*](#) up-and-coming artists from destinations the cruise line visits can vie to put their work on display for millions of vacationers who will set sail for years to come. The program’s purpose is to infuse every region’s spirit and culture into the curated art collections on board ships, in order to highlight and celebrate the very destinations and their people at the heart of Royal Caribbean’s memorable vacations.

**Beginning in the Caribbean, local artists can send their submissions starting today and through April 4 [here](#).**

“The Artist Discovery Program is a project close to our hearts at Royal Caribbean International because the destinations we visit are family. And it’s only fitting that we begin our search for up-and-coming artists who are in the Caribbean; it’s where we got our start more than 50 years ago,” said Michael Bayley, president and CEO, Royal Caribbean International. “Vacationers want to immerse themselves in the places they visit. This is a way to spotlight the beauty of the local cultures and people in the places they see and enjoy every day on their cruise, beginning with large-scale canvases on a first-of-its-kind adventure – *Icon of the Seas*.”

The first group of budding artists, making up the **Artist Discovery Program: Caribbean Edition**, will be commissioned to paint nine large-scale murals in three **highly visible locations**: the **Royal Promenade** neighborhood, the heartbeat of the new ship; among the first sights guests see at *Icon’s* **main entrance**; and within the **Suite Neighborhood**. Each piece will invoke the vibrancy of the Caribbean, joining the collection on board that will include an array of pieces created by Caribbean artists or inspired by the region.

Every artist will receive a grant from the cruise line, ranging from \$20,000 to more than \$100,000, to see their vision through. Later this year, as artists in residence, the winners will work closely with the Newbuilding team behind Royal Caribbean’s renowned ships to bring their concepts to life in Turku, Finland, where *Icon* is under construction.

- A copy of their resume.

*Icon* is the **first-of-its-kind combination of the best of every vacation**. From the **beach retreat** to the **resort escape** and the **theme park adventure**, the brand-new getaway delivers every kind of family and vacationers their version of the ultimate family adventure. In store is an all-encompassing lineup of firsts and next-level favorites across **eight neighborhoods**. Between the adrenaline-pumping thrills at the new **Thrill Island** neighborhood and unrivaled ways to chill at neighborhoods like the new **Chill Island** and the luxurious four-level **Suite Neighborhood**, adventurers bonding with their families or getting away with friends will have all the ways to stay and play their way.

The first *Icon* Class ship will sail year-round, **7-night Eastern and Western Caribbean vacations** from **Miami**.
