

Kohler's Numi 2.0 Intelligent Toilet Launches to Global Smart Home Industry

KOHLER, Wisconsin, USA – June 7, 2022 – Kohler Co., a global leader in the design and

innovation of kitchen and bath products, brings its Kohler's most advanced intelligent toilet, Numi 2.0 to the global market. Numi 2.0 offers exceptional water efficiency, personalized cleansing and dryer functions, a heated seat and high-quality built-in speakers. The lighting features on Kohler's flagship intelligent toilet can be paired with speakers to create different spa-like environments within a bathroom space. Amazon Alexa built into the product provides simple voice control of Numi's features and access to tens of thousands of skills.

A featured offering within Kohler's smart home collection, the Numi 2.0 intelligent toilet functions within KOHLER Konnect, offering

users an enhanced connectivity experience. KOHLER smart home products are designed to provide comfort, convenience, and enjoyment at home. The KOHLER Konnect portfolio integrates innovative product design and quality craftsmanship with personalization options and command controls for gracious smart kitchen and bathroom experiences.

KOHLER Konnect features innovative kitchen and bath products combined with quality product design and craftsmanship to deliver comfort, convenience, and enjoyment to the home. Personalized features are managed through the KOHLER Konnect application for iOS and Android devices. Powered by the Microsoft Azure cloud platform, KOHLER Konnect offers support in select products for Amazon Alexa, Google Assistant, and Apple HomeKit. The KOHLER Konnect product portfolio is expanding with additional options for the enhanced smart home experience.

About Kohler Co.
