

NEW! **SUBWAY** **SIDEKICKS**

Introducing Sidekicks, a brand-new category on the Subway® menu featuring three new, irresistible footlong snacks: the **Footlong Cookie**, **Cinnabon® Footlong Churro** and **Auntie Anne's® Footlong Pretzel**. Sidekicks are the perfect pairing to any footlong sub, or as a sweet or savory snack, exclusively at Subway restaurants nationwide starting January 22.

The Footlong Cookie: After a limited run for National Cookie Day in 2022 and 2023, the Footlong Cookie is back on the menu full-time, and it's better than ever. Subway's signature cookie recipe is now available in footlong form – thick, gooey, packed with chocolate chips and served warm.

The Cinnabon Footlong Churro: Available exclusively at Subway restaurants, the Cinnabon Footlong Churro is served warm and topped with Cinnabon's world-famous Makara® cinnamon and sugar.

The Auntie Anne's Footlong Pretzel: Available exclusively at Subway restaurants, the Auntie Anne's Footlong Pretzel is a new twist on the Auntie Anne's buttery, salty classic. Dip it in Subway's Honey Mustard and take each bite to another level.
