DID YOU KNOW?

Each year, our Camp Invention® program hosts National Inventors Hall of Fame® Inductees.

Here are a few big names:

Rory Cooper

Inventor of Wheelchair Technology

Eric R. Fossum

Inventor of the CMOS Image Sensor

Frances Ligler

Inventor of Portable Optical Biosensors

Edmund O. Schweitzer III

Inventor of the Digital Protective Relay

“CURIOSITY AND EXPLORATION ARE THE ESSENTIAL STARTING POINTS OF INNOVATION. WE HAVE TO CULTIVATE THAT IN OURSELVES, AND IN YOUNG CHILDREN, BECAUSE THAT’S WHERE IT STARTS.”

– Sumita Mitra, National Inventors Hall of Fame Inductee and inventor of nanocomposite dental materials

CAMP INVENTION OVERVIEW

The Camp Invention program is the only nationally recognized, nonprofit summer enrichment program for rising K-6 students that is inspired by the brightest thinkers around — the Inductees of the National Inventors Hall of Fame. Children are empowered to have big ideas while they take on challenges that inspire them to question, brainstorm, collaborate with teammates and build amazing invention prototypes!

Illuminate, Camp Invention’s 2024 program, sparks excitement and inspiration as children engage in hands-on challenges, discover world-changing Inductees, and build their confidence as creators and innovators.

NATIONAL INVENTORS HALL OF FAME

The National Inventors Hall of Fame was founded in 1973 in partnership with the United States Patent and Trademark Office to honor the individuals who conceived, patented and advanced the greatest technological achievements of our nation. Since then, the organization has evolved to be the nation's leading nonprofit providing invention education programs, competitions and events. We believe our role as a Hall of Fame is to not only honor the individuals whose inventions have made the world a better place, but also to ensure American ingenuity continues to thrive in the hands of coming generations. This belief is what drives our mission to recognize inventors, promote creativity, and advance the spirit of innovation and entrepreneurship.
