IN AN EXCLUSIVE PREMIERE, GIVENCHY UNVEILS CLARE WAIGHT KELLER'S COLLECTIONS AT ITS NEW YORK CITY FLAGSHIP

Press Release— Paris, February 15th, 2018

To celebrate the in-store arrival of artistic director Clare Waight Keller's first collections for Givenchy, the house will premiere its spring-summer 2018 ready-to-wear and accessories at its Madison Avenue flagship in New York City.

The exclusive unveiling will take place on February 15th, 2018, three weeks before the worldwide launch date of March 5th.

Windows reprising elements of the historic Couture building in Paris, with wrought-iron gate details and homey decorative touches, set the tone for the women's and men's ready-to-wear and accessories collections, starring new classics such as the GV3 handbag. History and heritage blend to embrace different beauties and a poetic mood, sometimes with a romantic air, and at others with the rock-inflected attitude that informs Clare Waight Keller's vocabulary for the house.

Givenchy's reveal of its spring-summer 2018 collections will take place on February 15th, 2018 at 10am EST.
