**“THE GLEN MORAY
CHARDONNAY CASK**

Finish continues the long history of Glen Moray maturing in the finest wine casks. Classic Glen Moray spirit hand crafted in Speyside with dedication and expertise marries beautifully with the rich Chardonnay wine flavours. The fruity character is intensified and combines perfectly with the lightly spiced vanilla oak.”

CHARDONNAY CASK

Glen Moray Classic Range, Chardonnay Cask Finish, an elegant and fruity Expression.

This Glen Moray expression showcases the wonderful qualities a Chardonnay cask finish can offer.

Although it has something a little different from Burgundy, it still has its character firmly rooted in Speyside.

As our master distiller, Graham Coull states:

“Having always been one of my favourite Glen Moray expressions and also being very well received previously, the chance to recreate this style of whisky has always been something I have wanted to do.”

“A perfect balance of caramelised fruit, butterscotch and lingering notes of toasted oak”

Colour:
Old gold

Nose:
A fresh clean nose with hints of apples, pear drops, fresh key lime, pie and bubblegum fading to a cinnamon sugar aroma.

Food pairing:
Vintage cheddar cheese or dark chocolate.

Taste:
An elegant whisky with a soft mouthfeel and a taste befitting this meeting of Speyside and Burgundy.

Finish:
A nutty vanilla comes bursting out with a soft cinnamon spice culminating in a gentle floral finish.

What is the role of the Chardonnay wood?

The influence of the Chardonnay adds body, sweetness and spice to the existing typical flavours of our Elgin Classic, sweet vanilla and light oak flavours.

The residual wine flavour from the Chardonnay cask infuses the Glen Moray spirit with added dried fruit sweetness and subtle spice.
