

# SINAR MAS CEPSA

A JOINT VENTURE BETWEEN CEPSA AND GAR FOR A GLOBAL  
OLEO-BASED SURFACTANTS SUPPLIER

## **About Cepsa**

Cepsa is an energy group fully owned by the Mubadala Investment Company that employs more than 10,000 people and operates at every stage of the hydrocarbon value chain: exploration and production of oil and gas, refining, distribution and marketing of crude oil and natural gas derivatives, biofuels, co-generation and electricity sales.

Cepsa has developed an important chemicals division that is closely integrated with the refining business, and that produces and markets the raw materials for high value-added products, principally used to make next generation plastics and biodegradable detergents. Cepsa has a leading position in Spain and, through the progressive international expansion of its business, also operates in several continents and markets its products across the world.

## **About Golden Agri-Resources**

GAR is one of the leading palm oil plantation companies with a planted area of more than 480,000 hectares (including smallholders), located in Indonesia. It has integrated operations focused on the production of palm-based edible oil and fat.

GAR is focused on sustainable palm oil production. In Indonesia, its primary activities include cultivating and harvesting of oil palm trees; processing of fresh fruit bunch into crude palm oil (CPO) and palm kernel; merchandising and refining CPO into value-added products such as cooking oil, margarine and shortening. It also has operations in China and India including a deep-sea port, oilseeds crushing plants, production capabilities for refined edible oil products as well as other food products such as noodles.
