جائزة حمدان بن محمد
للابتكار في إدارة المشاريع
Hamdan bin Mohammed
Award For Innovation In Project Management

Award Vision

Instill Innovation Culture in Project Management Practices World-wide.

Award Introduction

The Hamdan bin Mohammed Award for Innovation in Project Management celebrates specialists, professionals & corporations that developed an innovative approach to the management of projects, programmes and portfolios. The Award offers professional innovators a platform to promote their best practices and to discover, encourage and celebrate innovation in Project Management.

Award Goals

The Award aims first and foremost to promote the innovation culture in Project Management locally, regionally and internationally. It encourages and acknowledges innovative achievers and provides them with a unique platform to share best practices, learn from professional experiences and celebrate successes.

Who should enter?

The Award calls all individuals, teams and organisations who have introduced innovative practices in the management of their projects, programmes or portfolios.

Why you should apply?

To celebrate your successes in innovation in Project Management and get the exposure you deserve. Apply now to the 2nd edition of Hamdan bin Mohammed Award for innovation in Project Management through the following link: <http://www.hbmaipm.com/register-interest/>
