A MESSAGE FROM OUR CEO

GREETINGS FROM HTS

HTS's historical and future success is grounded in our collective commitment to our core values. These values include being humble, always do the right things, help each other win, be fast and pro-active, deliver results, grow but have fun, blow your customers expectations and learn.

At the foundation of these values is total, unyielding integrity. We are committed as an organization to the highest ethical standards and compliance with all applicable laws, rules and regulations. HTS is a dynamic, customer-driven organization.

While we are constantly changing and driving to provide innovative solutions for our customers, our drive for success must always be grounded in unyielding and unchanging commitment to lawful and ethical conduct.

Our reputation for honesty and reliable business conduct is tested and proven in each business transaction we make.

All HTS leaders, including myself, have the additional responsibility of nurturing a culture in which compliance with these core values is constant and unwavering. It is, and must be, the way we work. Unethical, dishonest and questionable behaviour is not be tolerated. We must operate in an environment of the utmost integrity and honesty.

We hope that your experience with us will be rewarding and enjoyable.

Nitin Nadukandy

EXECUTIVE SUMMARY

Established in 2011, HTS Interiors works with businesses from large scale to small scale industries from a full spectrum of interior design services to manage every process, from bespoke furniture to complete turnkey interior design solutions. The company was founded with the aim of bridging the gap between the complexities of the technical world and the application of creative ideas.

Based in Dubai with local and international partnerships, HTS Interiors is a leading interior design and fit-out company providing a full range of services including concept design and development, consultancy, project management, design supervision, fit-out and turnkey solutions.

HTS Interiors is artistic at heart and the company strives to maintain a culture that fosters creativity, innovation and flexibility. We have a team of highly skilled professionals that embody that culture and this makes us one of the most dynamic interior design companies in the region.

QUALITY POLICY

Our highest priority is customer satisfaction. At HTS Interiors, quality is simply defined as 'providing the best services possible that not only meets but rather surpasses our customers requirements and expectations; a quality product or a service which is to be delivered on time and within budget'.

This Quality Policy serves as a corner stone of our Quality Management System (QMS).

The QMS known internally as the "Best Practice Manual" serves as a platform in which we work as a company to provide consistent and reliable services to our customers, where quality is the acceptable and predictable outcome.

We constantly improve ourselves with regular and deliberate measurement of all quality related aspects. We do regular research and develop innovative procedures and processes to accommodate changing conditions.

WHAT MAKES US DIFFERENT

LISTEN

Understand the needs of the client and collect all available data, opinions and research
