# 3rd year Bachelor's diploma

## Operations Manager in Luxury Hospitality

The Luxury Hotelschool is an international school offering training in luxury hospitality management established over 30 years ago.

This Bachelor's diploma is a level-6 professional Certification registered with the RNCP (French National Certification Board). It gives you the keys to high-end hospitality management. In one year after two years of higher education (Bac +2), this Bachelor's programme covers all the aspects of luxury hospitality management, particularly operations and events management, quality management, marketing and strategy, business creation and project management. The full-time course incorporates a five-month work placement in a luxury hotel and a luxury experience included in the tuition fees. This Bachelor's diploma offers the possibility of continuing your education at the Luxury Hotelschool and obtaining an MBA or an MSc (Bac +5) to business school level.
