

Introducing the All-New T5074

Series 5, 71.5HP, Compact Utility Tractors
3494 lbs | Loader Lift Capacity

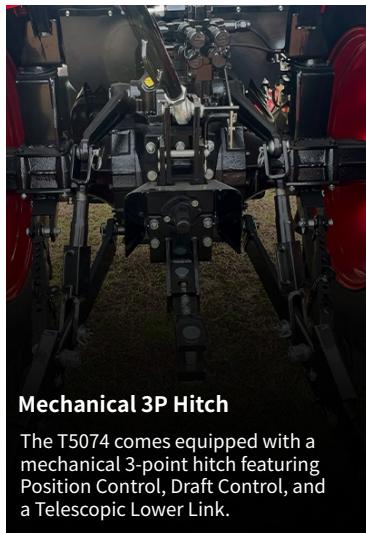

A STRAIGHTFORWARD TRACTOR THAT GETS SERIOUS WORK DONE

Powered by a dependable Yanmar diesel engine, the T5074 delivers the horsepower and loader lift capacity needed for tough jobs. Built with a simple, easy-to-maintain design, it focuses on reliability and performance without unnecessary complexity.

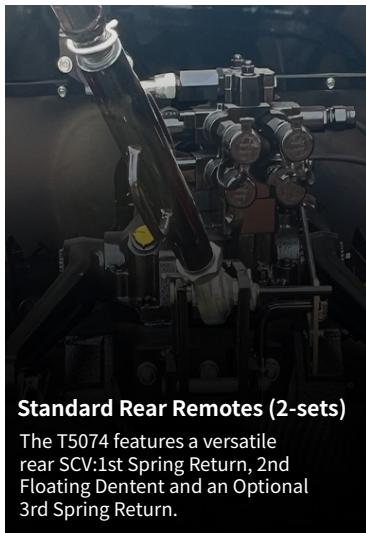

Standard 2-Button Loader Joystick

The T5074 comes standard with a 2-button loader joystick and 4-port loader valve but for greater versatility, an optional 3rd Function ready kit is available.

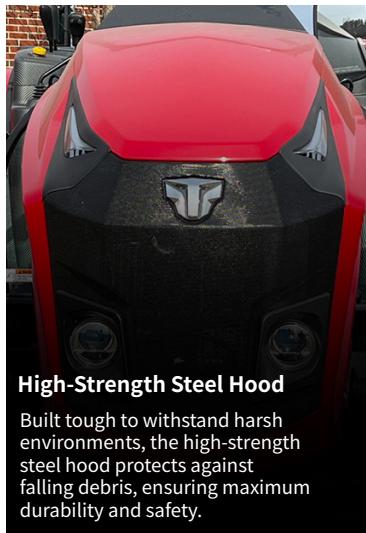

Mechanical 3P Hitch

The T5074 comes equipped with a mechanical 3-point hitch featuring Position Control, Draft Control, and a Telescopic Lower Link.

Standard Rear Remotes (2-sets)

The T5074 features a versatile rear SCV: 1st Spring Return, 2nd Floating Dentent and an Optional 3rd Spring Return.

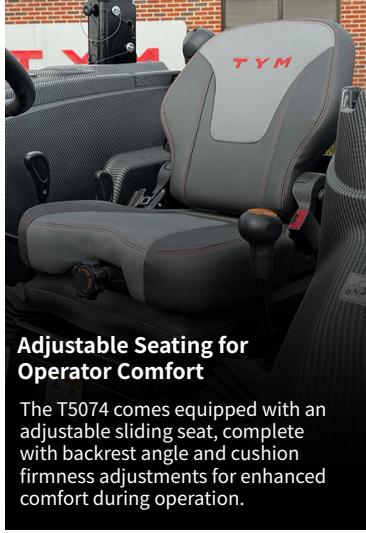

High-Strength Steel Hood

Built tough to withstand harsh environments, the high-strength steel hood protects against falling debris, ensuring maximum durability and safety.

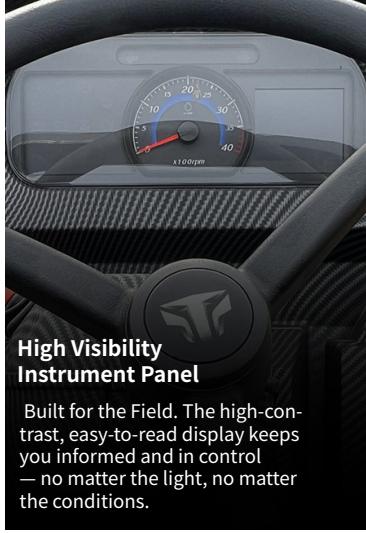

Telematics

An economy version of MYTYM telematics is included with the T5074, which enables complete crop management, allowing machines to communicate and share data. Integrating data with artificial intelligence technologies enhances efficiency and productivity and allows you to develop comprehensive farm management technologies.

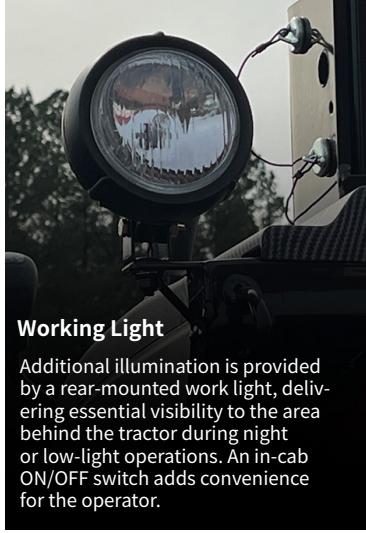

Adjustable Seating for Operator Comfort

The T5074 comes equipped with an adjustable sliding seat, complete with backrest angle and cushion firmness adjustments for enhanced comfort during operation.

High Visibility Instrument Panel

Built for the Field. The high-contrast, easy-to-read display keeps you informed and in control — no matter the light, no matter the conditions.

Working Light

Additional illumination is provided by a rear-mounted work light, delivering essential visibility to the area behind the tractor during night or low-light operations. An in-cab ON/OFF switch adds convenience for the operator.

T5074 Specifications

TRACTOR MODEL	T5074		TRACTOR MODEL	T5074	
ENGINE			HYDRAULICS		
Manufacturer		Yanmar	Pump Type		Dual gear pump
Gross Power	hp kW	71.5 53.3	Implement Flow	gpm lpm	10.3 38.9
